

Summary of ECD Global Alliance Internet Chat **29 Nov 2104**

7 Attendees

- It was a holiday weekend in the US so there wasn't any "Chatting". The above members all logged on at one time or another. One came on when the Chat should have started. Nobody else logged for the first 10 minutes so he went to bed!
- Another commented on the fact that it was holiday weekend in the US.
- One left a message. She hopes that everyone is doing well. She has been doing well, although does have some dizzy spells, her shoulder is healing well with constant progress.
